OFFICIAL

Procedural matters

Hearing arrangements

A number of parties have requested to present their submissions in person while others have identified a preference to present on-line via video conference. The Hearing will be conducted in a hybrid format with a number of days to be conducted in person (at a venue to be confirmed) which will be accessible by video conference for parties wishing to participate remotely (video conference invitations and instructions will be sent to parties in due course). Non-party submitters and other interested observers will be able to attend the in-person Hearing or view it via an accessible video link.

Hearing recording

The evidence of experts will be audio recorded. No other part of the hearing will be recorded.

Willatook EES

The Willatook EES and Panel Report has been submitted to the Minister for Planning. The Panel will advise parties if the Report and Ministers decision relating to the EES, and associated planning permit is released before the Hearing commences or during the scheduled Hearing.

If you have questions, please contact Georgia Thomas of Planning Panels Victoria on [REDACTED] or planning.panels@delwp.vic.gov.au.

Yours sincerely

Tim Hellsten
Panel Chair

Panel Directions

Mt Fyans Wind Farm Panel
Planning Permit Application PA1800406

Before the Hearing

Hearing administration

1. The Applicant must arrange the venue for the in-person Hearing days. The in-person Hearing venue must allow for parties to participate remotely (via video conference) and submitters and other interested parties to observe remotely. The Hearing venue should provide capacity for appropriate social distancing and other COVID protocols. Links to the Hearing should be included on the project website.
2. The Applicant must host and manage the video conference (Zoom Platform) to operate on all Hearing days.
3. The Applicant must manage the audio recording of all Evidence in Chief and associated cross examination.
4. The Applicant must host and manage an online document share platform.

Circulation and sharing of documents

5. Documents must be circulated electronically to all parties on the Distribution list. Documents will be provided a document number and uploaded by the Applicant to the document sharing platform as soon as practicable or provide a mechanism for parties to upload directly.

Files should not exceed 20MB in size. Documents larger than 20MB should be broken down into smaller files less than 20MB.

File names should be as short as possible.
6. Paper documents will only be permitted in exceptional circumstances. If any party has issues supplying documents electronically, they should contact Planning Panels Victoria. If electronic documents are to be brought to the in-person Hearing days, they should be contained on a USB and provided at least 30 minutes before the commencement of the Hearing.
7. Parties must provide details of experts **by 12 noon on 14 March 2023**.
8. The Department of Transport and Planning (DTP) must provide a 'Without prejudice' draft set of permit conditions **by 12 noon on 23 March 2023**, based on Attachment B of *Policy and Planning Guidelines for development of wind energy facilities in Victoria July 2021* (Wind Energy Guidelines) and which includes:
 - a) the proposed conditions contained in referral authority submissions - CFA, DELWP (relating to clause 52.17), Department of Transport and Glenelg Hopkins Catchment Management Authority (*Note: Where these should be reproduced as drafted with comments if necessary about whether they could be consolidated, redrafted to be clearer or are necessary*)
 - b) suggested conditions relating to the submission of the Civil Aviation Safety Authority
 - c) suggested conditions relating to the DELWP (Environment) submission
 - d) consideration of any relevant recommendations from technical reports provided with the permit application.
9. Moyne Shire Council must provide a copy of any approved Development Plan and Construction Environment Management Plan for the Mortlake Power Station as set out in the Special Use Zone 1 (Mortlake Power Station) **by 12 noon on 17 March 2023**.
10. The Applicant must provide the Panel with a copy of the approved Cultural Heritage Management Plan (CHMP) along with advice on if it can be provided to parties based on cultural sensitivity reasons **by 12 noon on 17 March 2023**. The remaining draft CHMP should be provided when approved before the

commencement of the Hearing as soon as practicable including advice on its suitability for being provided to parties.

11. The Applicant must provide a draft Environmental Framework Plan (EMP) by **12 noon on 27 March 2023**.
12. The Applicant is to advise on arrangements for providing party access to its 3D project imagery.
13. The Applicant is to provide drone imagery of a high resolution of the project site before the commencement of the Hearing which includes:
 - a) an overall site run
 - b) a run or series of runs that includes proposed turbine location
 - c) a run following the proposed above ground power transmission lines
 - d) larger waterways and exclusion areas
 - e) 360 degree top of turbine views from selected towers close to known *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act) and *Fauna and Flora Guarantee Act 1988* listed species and systems or that will be more visible on the landscape
 - f) a drone flight path map and explanatory notes to assist interpretation of the video imagery.

Panel's site inspection

14. Parties wishing to identify sites or viewing locations for the Panel's unaccompanied site inspection or for the Applicant's drone imagery should provide this information with a reason for its inclusion to PPV by **12 noon on 14 March 2023**.
15. The Applicant must provide the Panel by **12 noon on 24 March 2023** with a site inspection map(s), with a suggested route, and which includes the PPV nominated viewing points and identifies site elements including key landscape features, all access roads proposed to be used, proposed access points, landscape features, vegetation removal locations, key habitat sites and major project elements.
16. If possible, DTP to provide the Panel with a submitter location map (by number only) for those submissions received from landowners adjoining or within 2 kilometres of the site to assist it with its site inspection.

Department of Transport and Planning submission

17. DTP must provide a submission by **12 noon on 27 March 2023** which includes:
 - a) overview of the proposal, application process
 - b) relevant policy and provisions of the Moyne Planning Scheme
 - c) relevant Planning Practice Notes
 - d) relevant Planning Scheme Amendments
 - e) advice regarding consistency of the application materials with the Wind Energy Guidelines
 - f) summary of submissions
 - g) position relating to the Panel's role in assessing impacts associated with the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act) and Matters of National Environmental Significance (MNES)
 - h) include a Department of Transport submission position
 - i) position relating to any current or proposed DTP policy work, guideline or standard reviews or analysis relating to cumulative impacts of Wind Energy Facilities.

Applicant Part A submission

18. Applicant must circulate a Part A submission to parties on the distribution list by **12 noon on 27 March 2023** that includes:

- a) background to the Application
- b) summary of application
- c) summary of technical support documents including key findings and recommendations (with relevant cross references)
- d) checklist of application materials provided with the Wind Energy Guidelines
- e) summary of CHMP recommendations
- f) overview of draft EMP
- g) status of further assessments identified as conditions to the Ministers decision under the *Environment Effects Act 2017* (21 August 2017)
- h) relevant policy and provisions of the Moyne Planning Scheme, the PE Act and other legislation, publications and standards
- i) issues identified in submissions
- j) any suggested changes to the Application in response to submissions.

Note: The Applicant's Part A submission will be taken as read by the Panel at the Hearing. The Applicant should allow time for questions about its Part A submission on Day 1.

Witness reports

- 19. A witness report must:
 - a) comply with the Guide to Expert Evidence ([Expert witnesses \(planningpanels.vic.gov.au\)](https://planningpanels.vic.gov.au))
 - b) not refer to any individual submitter by name – if necessary, submitters should be referred to by submission number (*Note: it can refer to community groups, organisations, corporations and government agencies*)
 - c) be provided to the Panel as an unlocked document.
- 20. The Applicant must circulate their witness reports to parties on the distribution list by **12 noon on 27 March 2023**.
- 21. Parties must circulate their witness reports to parties on the distribution list by **12 noon on 29 March 2023**.
- 22. The Panel will allow on request witness report addendums (where relevant) in relation to the draft EMP or the like Applicant witness statement, where parties have notified the Panel of such a request and which must be distributed by the 31 March 2023.

At the Hearing

Submissions and information

- 23. Parties must present material at the Hearing electronically.
- 24. Electronic information must be circulated to parties on the distribution list by **12 noon on the day before** the information is to be presented at the Hearing.
- 25. All information presented at the Hearing is a public document for the purposes of the Panel process unless the Panel directs otherwise.

Department of Energy, Environment & Climate Action (DEECA) submission

- 26. The DEECA (Environment) submission should include:
 - a) its position relating to matters of MNES
 - b) its position regarding native vegetation removal
 - c) its position on a without prejudice basis of any appropriate permit conditions or changes to the proposal

- d) advice on its position or on any current policy, analysis, monitoring, mapping or habitat restoration work being undertaken or proposed to be undertaken relating to the cumulative biodiversity impacts of wind energy facilities particularly on brolga, raptor and bat species. The Panel notes that several Inquiry and Advisory Committees or Panels have made related recommendations (including *Dundonnell Wind Farm EES [2016] PPV*).

Applicant Part B submission

- 27. At the Hearing, the Applicant must provide a Part B submission (to be circulated by **12 noon on 31 March 2023**) that includes:
 - a) response to submissions and evidence
 - b) approach to dealing with MNES and response to specific matters raised in the submission of DEECA including Bat and Avifauna Management Plan and Brolga Compensation Plan consistent with the *Interim Guidelines for the Assessment, Avoidance, Mitigation and Offsetting of Potential Wind Farm Impacts on the Victorian Brolga Population 2011* (Rev 1 February 2012)
 - c) response to the issue of cumulative impact
 - d) response to proposed draft permit conditions document prepared by DTP (including tracked change and table summary format)
 - e) set out a hierarchy of documents to be provided as part of any planning permit requirement including: EMP, CEMP, specific species management plans
 - f) final position on the proposal including any permit conditions.

Applicant Part C submission

- 28. If the Applicant provides a Part C submission it must be distributed as soon as possible before its presentation, preferably by 5.00pm the day before it is to be presented.

Evidence and cross examination

- 29. Unless agreed by the Chair, evidence-in-chief must be no longer than 30 minutes – *all expert witness reports will be read before the Hearing*.
- 30. An expert witness may refer to a presentation which summarises their evidence, but it must:
 - a) not include new evidence
 - b) be provided to parties by 12 noon the day before that witness is scheduled to appear.
- 31. Unless a specific direction is made about 'like' evidence, an expert witness can provide their response to other like evidence by 12 noon the day before that witness is scheduled to appear.
- 32. Parties, advocates and the Panel may question a witness.
- 33. During the Hearing, for scheduling purposes, the Panel will ask each party:
 - a) how much time they anticipate they will need for each witness
 - b) to keep to their anticipated time for each witness.
- 34. If cross-examining a witness, a party must:
 - a) be present for the whole of the giving of the evidence
 - b) ask clear and relevant questions, directed to matters of fact or professional opinion, that genuinely assist the Panel in understanding the issues
 - c) allow a witness time to explain their answer.
- 35. If giving evidence remotely, a witness must:
 - a) be alone in the room from which they give evidence and not make or receive any communication with another person while giving evidence except with permission from the Panel

- b) inform the Panel immediately should another person enter the room from which they are giving evidence
- c) not discuss their evidence with any other person during breaks in evidence when under cross-examination
- d) not have before them any document, other than their expert witness statement and relevant supporting documents.

36. The Panel will regulate cross-examination.

Written submissions

37. A party who intends to supplement their original submission (without orally presenting that submission) must circulate their written submission to parties on the distribution list by **12 noon on 30 March 2023**.

Other information

- 38. Any other material a party wishes to present at the Hearing must be circulated to parties on the distribution list by **12 noon on the day before** the information is to be relied on at the Hearing.
- 39. After presenting to the Panel, submissions and other material (preferably in MS Word) should be emailed to planning.panels@delwp.vic.gov.au as an unlocked document.
- 40. All information presented at the Hearing is a public document unless the Panel directs otherwise.

Closing submissions

- 41. Moyne Shire Council and the Applicant will be provided time to present a closing submission.
- 42. The closing submission must not raise new matters but should respond to matters raised in other parties' submissions or evidence.

Recording Hearings and use of personal information

- 43. The Panel has directed that the evidence of parties will be recorded (audio only). This will be managed by the Applicant and provided each day to Planning Panels Victoria.
- 44. At the commencement of the Hearing parties advise the Panel in writing if they wish to receive a copy of all or particular day recordings.
- 45. Any party provided with a copy of the recording on request must not publish or distribute that recording or use it for any purpose other than for the Hearing.
- 46. Parties must not record, keep, distribute or publish contact details of any other party obtained during an electronic hearing session, or use those contact details for any purpose other than for the Hearing.

'Without prejudice' drafting

- 47. Following closing submissions and at the discretion of the Panel, if new iterations of the 'without prejudice Permit conditions' are proposed or requested by the Panel, the Panel will discuss arrangements for the further circulation of draft conditions and opportunities for parties to make any without prejudice drafting comment on those changes.
- 48. This process is not an opportunity to revisit any matter of merit.

Behaviours of parties

- 49. Parties must act in a courteous and respectful manner at all times. This includes when presenting submissions, cross examining experts and observing proceedings. Inappropriate behaviours including those identified at section 169 of the Planning and Environment Act 1987 will not be tolerated. Any person who breaches section 169 may not be permitted to participate in the Hearing.

50. Submissions made during the Hearing or other material introduced during the Hearing including through cross examination must not contain material that could be defamatory.

Compliance with Panel directions

51. All directions must be complied with. It is an offence to not comply with a direction without lawful excuse. [section 169 of the *Planning and Environment Act 1987*]
52. If you anticipate being unable to comply with a direction (for example, meeting a deadline for the circulation of evidence), you must provide the Panel with advance notice, and a written statement explaining why you are unable to comply with the direction, and permission from the Panel to vary the direction.
53. The Panel may:
- a) refuse to hear from anyone who fails to comply with a direction. [section 159(b)]
 - b) not accept evidence if permission to vary a direction for the circulation of evidence is not sought or granted.
